

British Columbia Community Forest Association

SUPPLIER MEMBERSHIP

Supplier Membership Fee: \$500 plus GST annually

Supplier Membership is available to:

- Suppliers of goods and services relevant to community forestry.
- Organizations that support the vision, mission, purposes and guiding principles of the BCCFA.

Supplier Membership benefits:

- Your company name, address, phone, email and a hot link to your website along with a description of your services posted on the BCCFA website.
- Opportunity to send 2-targeted emails annually to the BCCFA members to promote your services or products.
- Get the membership reduced rate to the annual conference.
- Supplier membership is a non-voting membership.
- A monthly newsletter that keeps you informed on important issues and events along with access to emerging information on CFA developments and operating community forests
- Linkage with operating community forests and communities working to obtain Community Forest Agreements (CFA) to exchange ideas and information, sharing problems and solutions through access to staff and the member's listserv.
- You will have access to our experienced staff that are a wealth of information. They can provide you with or connect you to the many resources available, which include; building relationships, management issues, policy for boards, managers, policy templates, and so much more!
