WOODLOT ASSOCIATIONS

# Discussion Topics

1. Catalyst for the committees formation
2. Committees establishment
3. Committees mandate/objectives
4. Current focus
5. Summary

# Catalyst

1. Recognition of unique needs of BCCFA members
2. Small to medium tenure holders a focus for safety
3. Partnership with FBCWA
4. Opportunity to address any potential gaps in current knowledge, awareness and resources

# Establishment

1. BCFSC Board support
2. Confirm BCCFA support
3. Identification of key group members
4. First Meeting
  - Finalize mandate, composition and structure
5. Identify key issues
6. Develop action plan

# Mandate

- Identifying safety issues; including those that may be geographically specific;
- Developing specific solutions to safety issues and concerns;
- Utilize existing knowledge and past successes within the WL and CFA sectors and the forest industry as a whole;
- Effect and implement solutions; and
- Measure and monitor improvements.

# Current Focus

- Communications
- Information to CFA members and WL Licencees
- Contracting
- Member feedback
- Professional Accountability vs Professional Liability
- SMS Due Diligence
- Safety tool kit
- Public interactions on CF and WL.

**Thank you**
